

MINIMAL CONSTRUCTION SITE NOTICE

FOR THE
City of Olmos Park Construction Site Storm Water Runoff Control Program

ORDINANCE NO. 2010-05

The following information is posted in compliance with **SEC. 33.600** of the Olmos Park City Ordinance Number 2010-05 for discharges of stormwater runoff from construction sites which disturb areas at least 0.25 acres and less than 1.0 acres in size. Additional information regarding the Olmos Park stormwater permit program may be found on the internet at: <http://olmospark.org/>

Operator Name:	
Contact Name and Phone Number:	
Project Description: <i>Physical address, estimated start date and projected stabilization date.</i>	
Location of Storm Water Pollution Prevention Plan:	

For Minimal Construction Activities Authorized under SEC. 33.600, the following certification must be completed:

I _____ (Typed or Printed Name) certify under penalty of law that I have read and understand the eligibility requirements for claiming an authorization under SEC. 33.600 of The City of Olmos Park Ordinance No. 2010-05 and agree to comply with the terms of this ordinance. A stormwater pollution prevention plan has been developed and will be implemented prior to construction, according to permit requirements. I am aware there are significant penalties for providing false information or for conducting unauthorized discharges, including the possibility of fine for knowing violations.
